

Neighborhood Preservation Coalition of New York State Receives \$3,000 Donation from TD Banknorth

ALBANY, N.Y. (August 13, 2009) - TD Banknorth, through the TD Charitable Foundation, recently donated \$3,000 to Neighborhood Preservation Coalition of New York State as part of the bank's commitment to giving back to the community.

The funds will help the organization increase management efficiency by providing technical assistance and training. The technical assistance and training will allow the organization to build the capacity of affordable housing agencies to develop succession plans, efficient operating systems, fundable programs, community engagement mechanisms and board leadership development.

"We are very pleased to receive this donation from TD Banknorth," said Coalition Executive Director Joe Agostine, Jr., adding, "The banks' commitment to affordable housing issues is to be highly commended."

A staunch commitment to active involvement in the local community is a vital element of the TD Banknorth philosophy. TD Banknorth provides financial and other kinds of support to education, community, human service, arts, and health-related programs, many of which focus on improving the welfare of children and families.
